**ORDER**

This cause coming to be heard on Respondent-Appellant Donald J. Trump's Motion to Vacate Based on U.S. Supreme Court Decision, which seeks an Order (a) vacating the Circuit Court's February 28, 2024 Memorandum of Judgment and Order, in light of *Trump v. Anderson*, U.S. No. 23-719, because the Circuit Court lacks jurisdiction to consider Petitioners' objection to President Trump being on the Illinois primary ballot and (b) remanding to the Circuit Court with instructions to dismiss Petitioners' Circuit Court petition without further action; Appellant Steven Daniel Anderson having filed his Objection and Response, and the Court being fully advised in the premises:

**IT IS HEREBY ORDERED:** The motion is Granted in part and Denied in part. The Circuit Court's February 28, 2024, Memorandum of Judgment is reversed and vacated as it relates to and in light of *Trump v. Anderson*, U.S. No. 601 U.S. ----; 144 S.Ct. 662 (2024). This court denies Appellant's request to remand with instructions to dismiss without further action.

Respondent-Appellant Donald J. Trump shall file his brief with this court regarding any remaining state law issues by April 11, 2024. Petitioner-Appellee Steven Daniel Anderson shall file his responding brief by April 25, 2024. Appellant's reply, if any, shall be filed by May 2, 2024.
