STANDARD OF REVIEW

As statutory interpretation presents a question of law, the standard of review in this case is *de novo*. *Board of Education of the City of Chicago v. Moore*, 2021 IL 125785, 182 N.E.3d 94.

ISSUE PRESENTED FOR REVIEW

Was the appellate court correct (a) in reversing the trial court's granting of Plaintiff's Motion for Judgment on the Pleadings/Motion for Summary Judgment and (b) in granting Defendant's Motion for Summary Judgment by concluding that that the County Executive is not the proper appointing official to fill vacancies in elected county offices, including appointments to be made to the County Board?
