Subject: Proposed Amendment to Rule 207 10/05/2022
Date: Sunday, September 25, 2022 12:53:04 PM

I am a Certified Shorthand Reporter in the State of Illinois and City of Chicago and I VEHEMENTLY OPPOSE the proposed amendment to Rule 207 that witnesses should be given FREE copies of their transcripts to read and sign. I find it positively ludicrous that some random estate attorney would have the hubris to give away my work product for FREE. Does he give away his legal services for free?

Please strike this unfair and, quite frankly, offensive assault on court reporters' rights to earn a living.

Best Regards,
