Subject: proposed rule 207 change, re: deponent read/sign

I have been reporting since 1989. My transcripts are my personal work product that I went to school for years to acquire the necessary education to produce them. They should not be devalued as free by a witness who reserves signature and has every opportunity to read the transcript of his testimony for as long as he desires.

Why on earth would a witness need a free copy?

I definitely oppose Proposal 21-06 (P.R. 0299
