Honorable Cynthia A. Grant Clerk of the Supreme Court Supreme Court Building Springfield, IL 62701-1791

Re: Electronic Overweight Citation and Complaint Form

Dear Ms. Grant:

Effective January 1, 2025, Public Act 103-0789 requires that all Illinois Citation and Complaint Forms include an admonishment that a defendant's failure to appear in court may lead to significant consequences impacting the violator's driving privileges.

In compliance with these new requirements under 625 ILCS 5/6-308, the Illinois Uniform Citation and Complaint Form has been updated accordingly by modifying the Notice to Appear language on the Violator copy of the citation form as follows:

## NOTICE TO APPEAR

The results of your failure to appear or pay this ticket is based on whether your ticket is marked "Court Appearance Required" or "No Court Appearance Required" and may result in either a judgment of conviction being entered against you for fine penalties, assessment, and cost as provided in the NOTICE OF CONSENT FOR ENTRY OF JUDGMENT; or, the court may order a warrant to be issued, other significant consequences affecting your driving privileges, or you may be tried and sentenced in your absence.

Effective January 1, 2025, all agencies must update their electronic citation programs to comply with the new standards. Agencies using paper citation forms may continue to use their existing stock approved on September 1, 2023, provided they apply a sticker over the "Notice to Appear" admonishments on the Violator copy until updated forms with the required revisions are ordered.

The Notice of Consent for Entry of Judgment has been revised to include clearer language, and the updated version has also been incorporated into the Printing Instructions.

The Conference of Chief Circuit Judges (Conference) approved these amendments on December 6, 2024. On behalf of the Conference, I hereby submit the amended Electronic Overweight Citation and Complaint Form, effective immediately.

Sincerely,

Komerine S. Gorma

Katherine Gorman Chief Judge, 10<sup>th</sup> Judicial Circuit Chair, Illinois Conference of Chief Circuit Judges

## Implementation of Electronic Citation Program for Electronic Overweight Citations

The implementation of an Electronic Citation Program (e-Citation) is authorized in any county, except Cook County, within the State of Illinois by the Illinois State Police. The ISP may implement the approved electronic citation program using an  $8 \frac{1}{2}$ " x 11" citation form, which must be accepted for filing by circuit clerks in the remaining 101 Illinois counties.

The implementation of an e-Citation program by local law enforcement may be authorized in any county upon the submission of a written request from each law enforcement agency to the Chief Judge of the Circuit (Chief Judge) and the Clerk of the Circuit Court (Circuit Clerk).

Any county which has previously received approval to conduct an electronic citation program may expand that program to include Electronic Overweight Citations as provided herein.

The following criteria shall be met by each vendor and e-Citation program prior to implementation being authorized by the Circuit Clerk:

- □ The Circuit Clerk has been approved and is actively participating in the Automated Disposition Reporting Program. In the event that the Automated Disposition Reporting Program is suspended after an e-Citation program is implemented, appropriate procedures must be implemented to ensure proper reporting of disposition information to the recipient agencies during the suspension.
- □ The citation form and format shall meet the standards for electronic citations approved by the Conference of Chief Circuit Judges (Conference) and filed with the Clerk of the Supreme Court pursuant to Supreme Court Rule 552.
- □ Identify the vendor performing the electronic citation functions and include a copy of each page of the citation form indicating the type of paper (bond or thermal) to be used.
- $\Box$  Each citation shall be filed with the Circuit Clerk and contain the signature of the issuing officer.
- □ Electronic filing may be applied as authorized by the Supreme Court.
- □ Data and document exchange formats may be implemented at the discretion of the Circuit Clerk.
