Honorable Cynthia A. Grant
Clerk of the Supreme Court

Re: Electronic Citation and Complaint Form

Dear Ms. Grant:

Effective January 1, 2025, Public Act 103-0789 requires that all Illinois Citation and Complaint Forms include an admonishment that a defendant's failure to appear in court may lead to significant consequences impacting the violator's driving privileges.

In compliance with these new requirements under 625 ILCS 5/6-308, the Illinois Uniform Citation and Complaint Form has been updated accordingly by modifying the Notice to Appear language as follows:

NOTICE TO APPEAR

The results of your failure to appear or pay this ticket is based on whether your ticket is marked "Court Appearance Required" or "No Court Appearance Required" and may result in either a judgment of conviction being entered against you for fine penalties, assessment, and cost as provided in the NOTICE OF CONSENT FOR ENTRY OF JUDGMENT; or, the court may order a warrant to be issued, other significant consequences affecting your driving privileges, or you may be tried and sentenced in your absence.

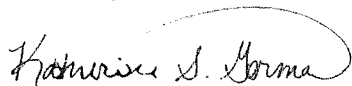

Effective January 1, 2025, all agencies must update their electronic citation programs to comply with the new standards. Agencies using paper citation forms may continue to use their existing stock approved on September 1, 2023, provided they apply a sticker over the "Notice to Appear" admonishments on the Violator copy until updated forms with the required revisions are ordered.

The Notice of Consent for Entry of Judgment has been updated to provide clearer language, and this revised version has been incorporated into the Electronic Printing Instructions.

Additionally, the Electronic Printing Instructions now include specific guidance for citations issued through automated traffic control systems. In compliance with the Automated Traffic Control Systems in Highway Construction or Maintenance Zones Act, violators must be informed that the citation was generated by an automated traffic control system.

The Conference of Chief Circuit Judges (Conference) approved these amendments on December 6, 2024. On behalf of the Conference, I hereby submit the amended Electronic Citation and Complaint Form, effective immediately.

Sincerely,

A handwritten signature in cursive script that reads "Katherine S. Gorman". The signature is written in black ink and is positioned above the typed name.

Electronic Citation Program

Conference of Chief Circuit Judges

Guidelines

Implementation of Electronic Citation Program

The implementation of an Electronic Citation Program (e-Citation) is authorized in any county, except Cook County, within the State of Illinois by the Illinois State Police. The ISP may implement the approved electronic citation program using an 8 ½" x 11" citation form, which must be accepted for filing by circuit clerks in the remaining 101 Illinois counties.

The implementation of an e-Citation program by local law enforcement may be authorized in any county upon the submission of a written request from each law enforcement agency to the Chief Judge of the Circuit (Chief Judge) and the Clerk of the Circuit Court (Circuit Clerk).

The following criteria shall be met by each vendor and e-Citation program prior to implementation being authorized by the Circuit Clerk:

- The Circuit Clerk has been approved and is actively participating in the Automated Disposition Reporting Program. In the event that the Automated Disposition Reporting Program is suspended after an e-Citation program is implemented, appropriate procedures must be implemented to ensure proper reporting of disposition information to the recipient agencies during the suspension.
- The citation form and format shall meet the standards for electronic citations approved by the Conference of Chief Circuit Judges (Conference) and filed with the Clerk of the Supreme Court pursuant to Supreme Court Rule 552.
- Identify the vendor performing the electronic citation functions and include a copy of each page of the citation form indicating the type of paper (bond or thermal) to be used.
- The application for court supervision and/or traffic safety school for counties which have been authorized to accept supervision by mail pursuant to Supreme Court Rule 529(b) must meet the requirements of Supreme Court Rules and the Traffic Safety Program Standards adopted by the Conference.
- Each citation shall be filed with the Circuit Clerk and contain the signature of the issuing officer.
- Electronic filing may be applied as authorized by the Supreme Court.
- Data and document exchange formats may be implemented at the discretion of the Circuit Clerk.

Data Exchange Formats

Electronic Citation

Data Layout and Exchange Format & Instructions

The Electronic Citation (e-Citation) Data Layout and Exchange Formats are provided for those counties approved by the Conference of Chief Circuit Judges to implement an e-Citation Program which requires reporting dispositions through the Automated Disposition Reporting (ADR) Program of the Administrative Office of the Illinois Courts. The following table provides the data layout for the exchange of information between the e-Citation vendor and Clerk of the Circuit Court (Circuit Clerk). The Format Minimums are different from the ADR data formats required for reporting dispositions to the respective state entities. The Circuit Clerk must ensure the data is properly converted to the format approved for ADR, as specified in the Administrative Office of the Illinois Courts' ADR Data Dictionary, when generating the disposition file.
