ILLINOIS SUPREME COURT LAUNCHES STATEWIDE CIRCUIT COURT USER SURVEY

The Illinois Supreme Court and the Illinois Judicial Conference (IJC) announced today the launch of a statewide circuit court user survey, the first statewide circuit court user survey in Illinois since 2015. Survey results will be used to inform future policy decisions and improve the court user experience.

The anonymous survey will be conducted July 13-31, 2026. It will be available in paper and electronic formats at circuit court courthouses across the state and will ask circuit court users about their most recent experience with the Illinois circuit courts. The survey is designed to be completed by all in-person and remote circuit court users, including parties, lawyers, jurors, witnesses, and observers. Judges and court staff should not complete the survey.

The survey can be accessed online at: ilcourts.info/2026survey

The survey is being coordinated by the IJC Court User Experience Task Force in furtherance of the 2026-2028 Judicial Branch Strategic Agenda. First District Appellate Court Justice Celia Gamrath serves as chair of the Task Force, and Union County Circuit Court Clerk Keri Clark serves as vice chair.
