Subject: Proposed rules change

Hello. I am in Illinois Certified Shorthand Reporter with 43 years of experience, and I am opposed to the proposed rule change of **Illinois Supreme Court Rule 207(a), Signing and Filing Depositions.**

Consider this my written comments in opposition to this rule change. If this rule is changed, it will greatly impact my income and that of all of the other court reporters in the state of Illinois. Our profession is already being impacted negatively by the "digital reporters" that are allowed to take depositions and hearings.
