Re: Overweight Citation and Complaint Form

Dear Ms. Grant:

The Secretary of State is preparing to incorporate Gender X designation on Driver's License and identification cards as of October 1, 2023, as result of Public Act 101-513. Accordingly, the Illinois Overweight Citation and Complaint Form has been amended to comply with the provisions of 625 ILCS 5/6-106.

The former Male and Female checkboxes have been replaced with a blank text box for officers to record the gender of "M" for Male, "F" for Female, or "X" for Gender X or Non-Binary.

Agencies are allowed to use their existing stock of the citations filed October 27, 2022 until their next order. While using the previous version's citation, if an Officer receives a driver's license or identification card with the Gender X designation, they shall record the Gender X designation in the notes field instead of recording the gender in the Defendant Section.

The Conference of Chief Circuit Judges (Conference) approved these amendments electronically on August 18, 2023. On behalf of the Conference, I hereby submit the amended Overweight Citation and Complaint Form, effective immediately.

Respectfully,

A handwritten signature in black ink, appearing to read "D. L. Vancil, Jr.", written in a cursive style.

Re: Revised Implementation Date for the Overweight Citation and Complaint Form

Dear Ms. Grant:

As result of the Supreme Court's Opinion, 2023 IL 129248 Rowe v. Raoul (effective September 18, 2023) which upheld the provisions of the SAFE-T Act, the Conference of Chief Circuit Judges (Conference) approved at its meeting on July 21, 2023, a revised mandatory implementation date for the Overweight Citation and Complaint Form (Overweight Citation) filed on October 27, 2022. On behalf of the Conference, I hereby submit the revised mandatory implementation date for the Overweight Citation and Complaint Form to January 1, 2024.

Agencies must contact their printing vendor to place an order as soon as possible to ensure the new Overweight Citations are received and in use no later than January 1, 2024. Any Overweight Citation issued on or after January 1, 2024 must conform to the changes of the SAFE-T Act.

Effective September 18, 2023, agencies may use their exiting stock through December 31, 2023 with the following limitations and conditions:

1. The only option for release on an Overweight Citation is "Notice to Appear;
2. The violator signature is no longer collected; and
3. Bail is no longer accepted.

Effective January 1, 2024, all existing stock must be discarded, and all citation forms issued by any law enforcement agency must comply with the new form originally filed October 27, 2022.
