

To figure out what Case Category to select, you need to know what kind of Case Type you have. Case Categories are the official legal terms used by the court and may not be easy to understand or guess which types of cases would be in which Category. The Case Type is the actual topic you want to address with the court.

ILLINOIS SUPREME COURT COMMISSION

Here are commonly used Case Types and which Category they are in ***for all Counties but Cook*** (for information on Cook County, look at chart below):
